Onboard British Airways i360

- As part of your event, book a flight on BAi360 for your group
- The giant glass viewing pod can also be hired exclusively for receptions for up to 175 people
- Guests can enjoy a canapé reception or a full banquet onboard, accompanied by a glass of Nyetimber sparkling wine and a range of drinks from local producers
- The pod has heating and air conditioning making it perfect for events at any time of the year
- Technology features include a state of the art sound system and video screens, which can all be tailored to your requirements

The most unique event spaces on the South Coast

- Since opening, BAi360 has become a beacon of innovation and a space which cultivates blue sky thinking
- We aim to set a new benchmark in sustainability with 100% of our energy coming from renewable sources
- Our building is designed to be energy efficient and we can capture energy from the pod's descent
- Heritage Portfolio, our venue caterer, has created a delicious range of menus, perfect for any occasion
- We have a commitment to sourcing the very best in local and sustainable products
